CHAPTER 11. TAXATION.

ARTICLE 16. NONINTOXICATING BEER.

§11-16-3. Definitions.

1 For the purpose of this article, except where the context clearly requires differently:

2 (1) "Brand" means a nonintoxicating beer product manufactured, brewed, mixed,
 3 concocted, blended, bottled or otherwise produced, imported, or transshipped by a brewer or
 4 manufacturer, the labels of which have been registered and approved by the commissioner, that
 5 is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid
 6 franchise agreement or a valid amendment thereto.

7 (2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing,
 8 importing, or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale
 9 to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this
 10 article. A brewer may obtain only one brewer's license for its nonintoxicating beer or
 11 nonintoxicating craft beer.

12 (3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating

13 craft beer owned by a resident brewer, subject to federal and state regulations and guidelines, a
14 portion of which premises is designated for retail sales of nonintoxicating beer or nonintoxicating
15 craft beer by the resident brewer owning the brewpub.

16 (4) "Class A retail license" means a retail license permitting the retail sale of liquor at a
17 freestanding liquor retail outlet licensed pursuant to chapter 60 of this code.

19 mixed retail liquor outlet licensed pursuant to chapter 60 of this code.

20 (6) "Commissioner" means the West Virginia Alcohol Beverage Control Administration
21 Commissioner.

22 (7) "Distributor" means and includes any person jobbing or distributing nonintoxicating
23 beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place
24 of business shall be within this state. For purposes of a distributor only, the term "person" means
25 and includes an individual, firm, trust, partnership, limited partnership, limited liability company,
26 association, or corporation. Any trust licensed as a distributor or any trust that is an owner of a
27 distributor licensee, and the trustee or other persons in active control of the activities of the trust
28 relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the
29 distributor license that are unlawful acts or violations of §11-11-1 *et seq.* of this code
30 notwithstanding the liability of trustees in §44D-10-1 *et seq.* of this code.

31 (8) "Franchise agreement" means the written agreement between a brewer and a
32 distributor that is identical as to terms and conditions between the brewer and all its distributors,
33 which agreement has been approved by the commissioner. The franchise agreement binds the
34 parties so that a distributor, appointed by a brewer, may distribute all of the brewer's
35 nonintoxicating beer products, brands or family of brands imported and offered for sale in West
36 Virginia, including, but not limited to, existing brands, line extensions, and new brands all in the
37 brewer's assigned territory for the distributor. All brands and line extensions being imported or
38 offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a

39 written amendment to the franchise agreement. A franchise agreement may be amended by
40 mutual written agreement of the parties as approved by the commissioner with identical terms
41 and conditions for a brewer and all of its distributors. Any approved amendment to the franchise
42 agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually
43 agree in writing to cancel a franchise agreement. A distributor terminated by a brewer as provided
44 in this article and the promulgated rules no longer has a valid franchise agreement. If a brewer
45 has reached an agreement to cancel a distributor or has terminated a distributor, then a brewer
46 may appoint a successor distributor who accedes to all the rights of the cancelled or terminated
47 distributor.

48 (9) "Franchise distributor network" means the distributors who have entered into a binding
49 written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating
50 beer products, brands, and line extensions in an assigned territory for a brewer. A brewer may
51 only have one franchise distributor network: *Provided*, That a brewer that has acquired the
52 manufacturing, bottling, or other production rights for the sale of nonintoxicating beer at wholesale
53 from a selling brewer as specified in §11-16-21(a)(2) of this code shall continue to maintain and

58 of this code.

60 material approved by the commissioner, that may be no larger than 128 fluid ounces in size and
61 must be capable of being securely sealed. The growler is utilized by an authorized licensee for
62 purposes of off-premise sales only of nonintoxicating beer or nonintoxicating craft beer for
63 personal consumption not on a licensed premise and not for resale. Notwithstanding any other
64 provision of this code to the contrary, a securely sealed growler is not an open container under

65 federal, state, and local law. A growler with a broken seal is an open container under federal,
66 state, and local law unless it is located in an area of the motor vehicle physically separated from
67 the passenger compartment. The secure sealing of a growler requires the use of a tamper-
68 resistant seal, security tape, or other material, as approved by the commissioner, placed on or
69 over the growler's opening, which seal, security tape, or other material is clearly marked with the
70 date of the secure sealing by the authorized licensee who is selling the growler.

72 or family of brands that is labeled, branded, advertised, marketed, promoted, or offered for sale
73 with the intent or purpose of being manufactured, imported, associated, contracted, affiliated, or
74 otherwise related to a brewer's existing brand through the use of a brewer, its subsidiaries, parent
75 entities, contracted entities, affiliated entities, or other related entities. In determining whether a
76 nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited
77 to, the following factors: Name or partial name; trade name or partial trade name; logos;
78 copyrights; trademarks or trade design; product codes; advertising promotion; or pricing.

84 to: coordinating staffing; reviewing and approving payroll; ordering and paying for inventory, such

88 directors.

90 brewing industry commonly referred to as beer, lager beer, ale, and all other mixtures and

66 The application must be verified by the owner, manager, or in the case of a firm,

75 contrary, the copy of the written trust instrument submitted to the commissioner pursuant to this
76 section is confidential and is not a public record and is not available for release pursuant to the
77 West Virginia Freedom of Information Act codified in §29B-1-1 of this code.

§60-8-17. License issuance or refusal; terms of license.

1 (a) Upon receipt of the completed application, fee, and bond if required, the commissioner
2 shall conduct any investigation he or she considers necessary to determine the accuracy of the
3 matters contained in the completed application for the applicant or manager. For the purposes of
4 conducting such investigation, the commissioner may withhold the granting or refusal to grant a
5 license for a period not to exceed 30 days or until the applicant has completed the conditions set
6 forth in §60-8-16 of this code. If it appears that the applicant, and the manager or managers in
7 the application or a licensee and manager or managers in the renewal application, subject to
8 investigation set forth in this section, is a suitable person, is located at a suitable premise, there
9 is no false statement, no material misrepresentations, no hidden ownership, no persons with an
10 undisclosed pecuniary interest contained in the application, and that the issuance of the license
11 would not be in conflict with any of the provisions of this chapter, the commissioner shall issue
12 the license. Otherwise the commissioner shall refuse to issue such license.

13 (b) The commissioner shall refuse the license of any applicant if he or she finds that any
14 such applicant or manager is not a suitable person, that the place of business of such applicant
15 is not a suitable place, or that such applicant has not complied with the provisions of this chapter.

16 Upon refusal to issue such license, the commissioner shall enter an order refusing such
17 application. The refusal is final unless a hearing is requested in accordance with the provisions of
18 §60-8-18 of this code. When such refusal becomes final the commissioner shall immediately
19 refund to the applicant his or her fees and bond accompanying the application.

20 (c) The license expires on June 30 next following the date it was issued and may be
21 renewed upon the same showing as required for the issuance of the initial license, together with
22 the payment of fee and filing of any bond required by this article.

23 (d) A licensee that fails to complete a renewal application and make payment of its annual
24 license fee in renewing its license on or before June 30 of any subsequent year, after initial
25 application, shall be charged an additional \$150 reactivation fee. The licensee must pay the
26 applicable full-year annual license fee and the reactivation fee prior to the processing of any
27 renewal application. A licensee who continues to operate upon the expiration of its license is
28 subject to all fines, penalties, and sanctions available in §11-16-23 of this code, as determined by
29 the commissioner.

30 (e) Such license shall not be transferred to another person, but the location of the premises
31 to which the license relates may be changed with the written consent of the commissioner, if the
32 new location satisfies the requirements of this article upon an initial application and payment of a

NOTE: The purpose of this bill is to address the residency issue that was struck down under the Dormant Commerce Clause in Tennessee Wine and Spirits Retailers Assn. v. Russel F. Thomas, Executive Director of the Tennessee Alcoholic Beverage Commission, et al., No. 18-96 (U.S. June 26, 2019). While West Virginia does not have the same restrictions set forth in Tennessee, the WVABCA is revising its requirements to set forth manager requirements for all licensees requiring that the manager is readily available to address licensure and public health and safety issues with the WVABCA's agents; WVDHHR is removing the residency requirements from the Medical Cannabis Act; and the WV Lottery is removing residency requirements.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
